- Swift and accurate distribution of orders within a fast-paced, time-sensitive environment.
  - Kept the drive-thru time below the district threshold; resulted in our drive-thru being the quickest and most consistent of any other in the district.
- Persistent and clean communication ensured no problems arose between staff and/or customers.
  - Skills in communication and leadership led to the offer of a Shift-Leader position within under 2 months of work.
- Kept accurate data through the input of orders and money alike.
