

How will everything be sorted?

Mehilo

Where will due dates come from?

Mehilo

How much data will be shown?

Mehilo

What are easy ways to keep users engaged?

Mehilo

Are there other methods than a calendar?

Mehilo

1. By day, like a normal calendar.

Mehilo

1. From Blackboard

Mehilo

1. Assignment due date. Includes day & time.

Mehilo

1. Checkboxes for each assignment.

Mehilo

1. A planner

Mehilo

2. By class

Mehilo

2. From Dropbox

Mehilo

2. Each day should have sections for time.

Mehilo

2. "Points" for doing assignments.

Mehilo

2. Checking each website

Mehilo

3. By due date

Mehilo

3. From user input

Mehilo

3. List of classes

Mehilo

3. Unlock different themes for your calendar with "points".

Mehilo

3. Having an accountability friend

Mehilo

4. All of the above. Sorted by showing an entire month with options to sort by class or due date.

Mehilo

4. From other apps / calendars.

Mehilo

4. Optionally, the calendar can list class times

Mehilo

4. Offer ability to input schedule and find gaps in schedule to fit homework time.

Mehilo

5. With class times, the user can input test/quiz dates.
